REQUEST FOR INFORMATIONAL BRIEFING

Dear Senator Keohokalole,

Attaching for your information a follow-up [letter](#) to Director Char that was delivered to the Director's office earlier today electronically. This letter summarizes three months' worth of correspondences and demonstrates the extent to which administrative barriers are impacting our Medical Cannabis Program.

If one has not already been arranged, could we please consider scheduling an Informational Briefing that would include speakers who are certifying providers in the medical cannabis community in order to address obstacles that our Medical Cannabis Program is currently facing and inform possible legislation for the coming Session.

Thank you for considering this request.

Aloha,
