Dear Chief Ballard,

I have a law enforcement question regarding a patient with the following background:

[1] Previously registered with Hawaii's Medical Use of Cannabis Program in order to engage in the medical use of Cannabidiol (CBD).

[2] Allowed registration with Hawaii's Medical Use of Cannabis Program to expire over one year ago, when CBD products started becoming commercially available in Hawaii.

[3] Would now like to apply for a new firearms permit in Honolulu County.

Could you please tell me your department's policy regarding this patient's situation.

Thank you for your help with this matter.

Sincerely,

A handwritten signature in black ink, appearing to be "Clifton Otto".
