OMCCR AUDIT

Dear Representative Luke,

Perhaps you saw yesterday's [broadcast](#) by HNN on patient growing.

Please see the comments of Michele Nakata, OMCCR Supervisor, at 4:16.

Limiting patient growing because the department is understaffed runs contrary to the intent of our Medical Cannabis Program, which is to ensure that patients have uninterrupted availability to an adequate supply of their state authorized cannabis medicine.

What is happening to the \$38.50 x 30,000 patients that the OMCCR Registry Program is collecting annually? Is it just sitting in the Medical Cannabis Registry special fund? Or being used for other department purposes?

I've been asking for a review of OMCCR's accounting records during my testimony this Session.

How do we go about getting an audit of OMCCR?
Is this something the Legislature can request?

Thank you for your help.

Aloha,
