HEARING REQUEST FOR HB668

Dear Representative Yamane,

I hope that you can grant a public hearing for [HB668](#) – Relating to Controlled Substances.

We are in desperate need of a way to end the current conflict with the federal regulation of marijuana, and this bill provides a solution that could be acted upon at the state level where this conflict first started over twenty years ago.

I realize that the Office of the Attorney General and the Department of Health may not support taking action to end this conflict, but I hope that this will not dissuade you from at least allowing other stakeholders to provide public testimony on this measure.

Aloha,
